COORDINATOR OF MINERVA LAB

Co-funded by the
Erasmus+ Programme
of the European Union

Laboratory on Diversity and Gender Inequality

Dept. of Statistics - Sapienza University of Rome

contributes to scientific research on gender equality and equity using both qualitative and quantitative methods, and to develop collaborations between scholars. The laboratory carries out multidisciplinary research activities promoting the contamination between different research fields, i.e. economics, law, history, sociology, demography, statistics etc...
